

# DINA JOHN

FULL STACK DEVELOPER

01203416295

dinajohn812@gmail.com

Aswan, Egypt

8/12/1999

## Profile

I am a skilled Fullstack Developer with experience in .NET technologies, proficient in both front-end and back-end development. I specialize in C#, ASP.NET Core, MVC, API, and have a solid understanding of modern front-end frameworks such as Angular. I am passionate about delivering high-quality, user-centric solutions and thrive in collaborative environments that drive innovation and efficiency.
